Number of surveys returned	30	72	48
Percent satisfied with learning environment	96.7%	90.3%	91.6%
Percent satisfied with social and physical environment	96.6%	88.9%	93.8%
Percent satisfied with school-home relations	93.4%	87.5%	87.5%

*Only students at the highest elementary school grade level at this school and their parents were included.

REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

The faculty and staff at Jefferson Elementary School strive to present our students with opportunities that will ensure college and career readiness. Through a partnership with community stakeholders, school personnel provide the students with the best education in a safe and nurturing environment. This is accomplished through collaborative efforts of the school, the community, the PTO, and the School Improvement Council (SIC).

Teachers monitor student progress using the Measures of Academic Progress (MAP) assessments. The MAP test is administered to our first through fifth grade students in the fall, winter, and spring. Teachers use the diagnostic results of the tests in reading and math to differentiate instruction for each student at his/her level. Qualifying students in kindergarten, first, and second grades are assisted by the Reading Recovery teacher or certified tutor. Third through fifth grade students who qualify are also offered additional assistance by a certified tutor. Individual lessons are provided for all students through computer assisted instruction (CAI lab).

At Jefferson Elementary School, student achievement is a priority. A student data team meeting is held to discuss test scores and the impact they have on the instructional program at JES. During that meeting, students are also recognized for their outstanding performance on the PASS test. A PASS Pep Rally is held at the end of the year to celebrate the hard work of the students and staff. Honor Roll recipients are recognized at the end of each nine weeks. At the end of the year, an awards program is held and students receive awards for academic accomplishments, exceptional performances in the arts, good character, academic gains, and accomplishments in reading and math. Each homeroom teacher selects a student as the Citizen of the Month. The purpose is to recognize students who exhibit exemplary character. Eagle tickets are tokens that are utilized to recognize individual students for outstanding behavior or doing a good deed. Eagle ticket names are drawn weekly and announced on the WJES Morning News Show. The Celebration of Character program provides another opportunity to recognize students for their outstanding behavior. Extracurricular opportunities for students include Student Ambassadors, Shelf Elves, the annual talent show, Valentine Court, the Spring Carnival, field day, the Adopt-a-Highway program, and the WJES morning news team.

Parents contributed greatly to the success of the 2012-2013 school year. They were given many opportunities to volunteer and to participate in activities such as Open House, the Veteran's Day program, Book Fair, American Education Week, Valentine Court, Family Reading Night, Math/Science Night, the Spring Carnival, the School Improvement Council and the Parent Teacher Organization. Parents were kept informed through the school web-site, our Family Handbook, and our newsletter, Eagle Tales.

We are committed to making a difference in the lives of our students and an impact on our community. When they leave Jefferson Elementary School they will be ready for all the opportunities life has to offer.

Becky Wilson, Principal

Erika Smith, School Improvement Council Chairperson
